ABOUT US

FARSON LOGISTICS INDONESIA is a forward-thinking logistics company specializing in comprehensive transportation services, freight solutions, and customs clearance for both local and

international markets. We provide efficient, secure, and timely logistics solutions that meet a wide range of customer needs. Our service network includes providers across Asia, Europe, and the Americas.

Backed by over 40 years of logistics expertise from our founder, we bring industry insight, problem-solving capabilities, and strategic foresight that translate into real advantages: on-time deliveries, 100% regulation compliance, reduced lead time, and outstanding logistics performance indicators.

Our goal is to go beyond just shipping — we aim to offer peace of mind through trust, reliability, and efficiency.

PT. FARSON LOGISTICS INDONESIA was officially established on May 11, 2022, and has since rapidly gained a reputation as a client-focused logistics partner committed to quality and innovation.

VISION

To bring happiness, satisfaction, and trust to every customer, society, and individual, by creating exceptional logistics solutions that exceed expectations and foster long-term relationships built on reliability and care.

MISSION

To continuously improve the quality and performance of our logistics services by leveraging technology, empowering our people, and committing to excellence. We aim to deliver real value to our customers, contribute to societal advancement, and drive global connectivity through ethical, efficient, and adaptive practices.

CORE VALUES

Integrity

We believe in doing the right thing, always. Our team upholds **transparency, ethical conduct, and professionalism** in every business transaction, ensuring long-term trust with our partners and clients.

Adaptability

The logistics industry is ever-evolving, and so are we. We **proactively embrace new technologies, processes, and ideas** to meet emerging challenges and opportunities with agility.

Responsibility

We are accountable for every decision and delivery we make. From handling your cargo to coordinating complex freight operations, **we commit to excellence and precision.**

Innovation

We **continuously seek smarter, safer, and more sustainable ways to operate.** Our solutions are crafted to not only solve today's problems but also anticipate future needs.

forwarding company

OUR SERVICES

Transportation Services

Flexible trucking solutions including trailers, wingbox, and standard trucks. We ensure high route precision, optimized lead time, and competitive pricing for seamless overland delivery.

Customs Clearance

Our expert team handles documentation and compliance swiftly, helping clients avoid costly delays and ensuring smooth movement of goods with top-tier accuracy and full regulatory compliance.

Air Freight Services

Speed-focused cargo delivery for urgent shipments. We guarantee on-time performance, cargo safety, and end-to-end visibility with global air partners deliveries.

Project Cargo Handling

Specialized in handling oversized and complex freight. We offer accurate planning, secure transport, and measurable time or cost savings for complex deliveries.

Sea Freight Services

Ideal for high-volume and international shipments. Our sea freight ensures schedule reliability, cost-efficiency, and low damage rates through trusted carrier networks.

COMPETITIVE ADVANTAGES

Decades of Experience

With over 40 years in the logistics industry, our founder has honed the ability to maximize operational efficiency through optimized routing, meticulous planning, and resource allocation. This experience allows us to continuously refine processes, minimize delays, and reduce costs — ultimately driving superior results for our clients.

Reliable Operations

Our promise is timely, safe, and consistent delivery. Through a systematic approach to scheduling, quality control, and monitoring, we deliver peace of mind with every shipment.

Professional Team

Our experienced team is committed to excellence, client satisfaction, and upholding **Good Corporate Governance (GCG)** principles in every aspect of our operations. This ensures transparency, accountability, and ethical practices across the board, contributing to long-term client trust and business sustainability.

Extensive Global Network

We are connected with reliable logistics agents and service providers across Asia, Europe, and the Americas. This global reach empowers us to offer competitive pricing and broad delivery coverage.

Cost-Effective Solutions

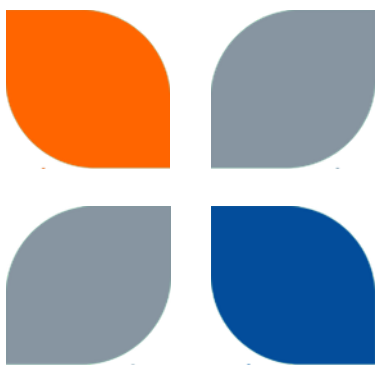

We offer customizable solutions that align with client budgets without compromising on safety or quality. Our strategic planning and consolidated operations help reduce unnecessary costs.

CLIENT PORTFOLIO

We proudly serve reputable companies across various industries around the world, including manufacturing, construction, and distribution. Our ability to tailor our services to meet specific client demands has made us a valued logistics partner.
